

Advisory Committees

WIRT COUNTY FILE: KCBA

Revised: August 9, 1999

ADVISORY COMMITTEES

The Wirt County Board of Education shall require the establishment of advisory committees as needed for the purpose of gathering information for sound decision making. The utilization of advisory committees has been and shall continue to be consistent with the principles adopted by the National School Boards Association Delegate Assembly in 1968.

Administrative Procedures

- 1) Advisory committees will be established as a vehicle to provide citizen input to the Board on a systematic basis.
- 2) Citizen groups should be broadly represented.
- 3) Recommendations should be based on research and facts.
- 4) Recommendation should be submitted to school boards which alone have the authority to act upon them.
