

Solicitations Of and By Students and Staff

WIRT COUNTY FILE: KEB-R

Revised: August 9, 1999

SOLICITATIONS OF AND BY STUDENTS AND STAFF

Any outside organization, not school related, desiring to sell items through the school or on school property must have prior approval from the building principal. This requirement does not apply to representatives of publishing companies recognized by the West Virginia Bookmen's Association or publishers contacted by the school or the system to fulfill a specific need. School supply firms not selling through or directly to students are also exempt from this requirement.

No teacher or classroom is to be interrupted during the school day for the purpose of distributing materials or for the purchase of items from outside of school organizations or vendors.
